ORDER

Based on the parties' stipulation [ECF No. 9] and good cause appearing, and because the dismissal of claims against Equifax leaves no claims remaining in this single-defendant case, IT IS HEREBY ORDERED that THIS ACTION IS DISMISSED with prejudice, each side to bear its own fees and costs. Plaintiff's counsel is reminded that when there is only one defendant in a case, a stipulation that states in bold, underlined, capital letters that the dismissal is only effective for that defendant is wholly unnecessary and confusing. When there is just one defendant sued, or remaining in, a given case, the "only as to this defendant" language should not be used. The **Clerk of Court** is directed to **CLOSE THIS CASE**.
